

Coronavirus (COVID-19)

In the light of on-going developments related to Coronavirus (COVID-19) we are taking extra precautions.

We are asking all non-urgent visitors to stay away to avoid any unnecessary risk to our staff and family.

If you have horses in our care, please be assured that our team is carrying out all the usual care and exercise and our office has the ability to be operated remotely with cloud based IT and phone systems, therefore if you need to get in touch please contact us in the usual way by phone or email.

We hope you understand that this is in the best interests of everyone and hope you all stay safe during these worrying times.
